***Election/Restrictions***

Claim 1 is generic and allowable. Accordingly, the restriction requirement as to the encompassed species is hereby withdrawn and claims 3-9 and 11-12, directed to the non-elected species are no longer withdrawn from consideration (i.e., they are rejoined) since all of the claims to this species depend from or otherwise include each of the limitations of an allowed generic claim.

**Statement of Reasons for Allowance**

Claims 1-9, 11 and 12 are allowed.

As stated in the previous Office Action, the following is an examiner's statement of reasons for allowance: the best art of record, Kondo et al., taken alone or in combination of other references, does not teach or fairly suggest specific structure of the second package as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
